RETREAT PAYMENT OPTIONS

All proceeds go to funding our retreat program. We have done our best to make this retreat accessible to those who qualify and have broken down two payment options below. We do have a small scholarship fund to assist those who cannot afford the entire cost.

Option 1

Pay upfront on a sliding scale. This allows participants to pay according to individual means. We have three rates available.

Benefactor	\$300+
Sustaining	\$250
Base	\$200

If you choose this option, you can pay upfront [here](#).

Option 2

Raise the funds to support your participation in the retreat. To ease this process, we have set up a retreat fundraising page that allows you to customize your profile and story before sharing it with family and friends.

Create your fundraiser page for 2022 Concussed. Retreats [here!](#)

Feel more than welcome to combine Option 1 + 2

DEPOSIT

We strive to create an intimate and connected space for retreat participants. For this reason, we have limited our retreat size to 8 participants, and do expect to have a waitlist. A deposit of \$50 will secure your spot in the retreat. Deposits are accepted [here](#).
